## A Cappella Choir Presents Sacred Concert Good Friday

The highlight of Didsbury Easter celebrations this year was the Sacred Concert presented on Friday evening by Mr. G. Lyle Richardson and his Mountain View Bible College A Cappella Choir in the Evangelical Church, which was filled to capacity. "A Cappella" means sacred music without instrumental accompaniment. It was really a musical worship service in which the Divine was permitted to find entrance to responsive souls with the minimum amount of interference. The music was of a high standard throughout, and yet could readily be fully appreciated by the ordinary worshipper. The program was well arranged, and in perfect keeping with Easter.

Mr. Richardson was afforded sufficient opportunity to be realized at his best as a highly trained baritone singer. It is grand to listen to a sincere Christian artist in such a role. The choir was not large in numbers, nor in volume, but it was obviously well chosen, perfectly balanced and particularly well trained. Too often an instrumental accompanist is necessary to cover up mistakes and round

out the blend, but this A Cappella Choir interpreted choral music at its best. The fact that there was no applause prevented such unnecessary break in the spirit of the service. The choir is fortunate in having such a soprano soloist as Margarita Sawatzki. Pearl Lemont, the contralto soloist, suitably rendered the other difficult solo "He was Despoiled," by G.F. Handel.

The beautiful setting of the candle-lighted floral decorated church choir loft, together with the perfect acoustics of the auditorium, added to the pleasure of the presentation. Mr. Richardson thanked Mrs. C. Leeson for her beautiful accompaniments on the piano, the Minister and the Church Board, and all others who had helped make such an evening possible. Rev. Mr. Bainbridge took the opportunity to thank the College and Mr. Richardson for the contributions they had made to the musical life of Didsbury and district close and the local branch is still about \$200 short of its objective of \$2500. A few contributions are still coming in and anyone who desires to donate to this worthy cause, but has not done so, should make contributions direct to the campaign headquarters at Reiber's office.

Mr. Roberts was born in Oklahoma, U.S.A., and was 56 years of age. He came to Alberta in 1910 and homesteaded in the Sundre district. He served in World War I and immediately after returning from overseas he was a mule skinner and his four-span team of mules was a common sight along the old trail between Olds and Sundre. From 1920 to about 1936 Mr. Roberts found employment at many of the farms around the district and from 1936 to the time of his death he worked on and off for John Kershaw west of Didsbury.

Funeral services were held from the Orme Funeral Chapel in Olds on Friday, April 7, at 2:00 p.m., with Rev. W.H. Moss officiating. Burial was in the Olds cemetery. A number of friends and near relatives attended the funeral of a man who loved the cowboy style of clothes. He was a good man with horses and cattle and never neglected them. A man who loved the West, he was never happier than when on a saddle pony with a pack horse behind and headed in that direction. There was a cartoon of Theodore Roosevelt when he died which showed him on a horse riding towards the setting sun, and as he was going over the hill he turned and waved his hand. I believe that is the way our friend Bill would have wanted to go if he had not been sick—Contributed.

Pybus officiating, and interment will follow in the Cremona cemetery.

## JANUARY IN APRIL

We've heard the expression "June in January" in Alberta, but it seems that Nature has become a bit befuddled and we have been having January in April this past week, with snow and temperatures as low as 15 above. Easter this year didn't provide the kind of weather that the fair sex desires to model their spring hats and ensembles, but Easter Sunday did give us a real Christmas effect with snow on the ground and the trees laden with hoar frost.

While some farmers do not mind this weather, claiming that a late spring leaves the land in good shape for early May seeding of crops, the general public isn't too fussy over this prolonged winter weather, and the general desire seems to be for usual sunny April weather and the ushering in of spring with April showers, pussy willows and crocuses.

There was a fair attendance at the F.U.A. meeting held in the Elevator Office on Saturday afternoon, April 8. President Arthur Rothwell reported that membership was down from last year. Farmers in Canada are better organized than ever and have a considerable influence, and are now able to meet urban citizens, industries and organizations as equals. This is the best basis of understanding and friendly relationship. Mr. Rothwell thinks every farmer who the district should join the local and add the weight of his membership.

The local has accomplished a great deal in the organizing of the Local U.F.A. Co-Op distributing of bulk Maple Leaf petroleum products. The bulk station is open to give both bulk and pump service to the public.

Delegates were nominated to attend the district convention which is to be held at the O.S.A. June 23.

### CHRISTIAN SCIENCE

"Are Sin, Disease, and Death Real?" This topic of the Sunday Lesson-Sermon in Christian Science churches is answered in readings like these: "Why dost thou shew me iniquity, and cause me to behold grievance? for spilling and violence are before me; and there are that raise up strife and contention." (Habakkuk 1: 3). "If God makes sin, if good produces evil, if truth results in error, then Science and Christianity are helpless; but there are no antagonistic powers nor laws, spiritual and material, creating and governing man through perpetual warfare."

from all parts of the country.

We need packing cases and cardboard cartons, construction lumber, paper, potato and corn starches, coal, sulphuric acid, caustic soda, oils, lubricants and a hundred and one other things which we buy from fellow Canadians who grow or make them.

In addition to this the 12,500 men and women working in our plants, earn many millions of dollars a year in wages, dollars which are spent on foodstuffs from the farms of Canada, grains, cattle, hogs and poultry, fish from the fishermen on both coasts and the Great Lakes.

We are the customers of our fellow Canadians just as they are our customers. We're proud to have a part in Canada's economic life by buying the goods which other Canadians grow, make or provide.

## In The Legislature

(By H. G. Hammell, M.L.A.)

The present Session of the Alberta Legislature concluded Wednesday night when the Lieutenant Governor gave his Royal assent.

The House was informed that motorists will receive a copy of Provincial traffic regulations. In that way all motorists will be provided with the opportunity of becoming properly familiar with traffic regulations.

Some changes were made in the Liquor Control Act at this Session but they were amendments to clarify administrative difficulties.

A bill to incorporate the Northern Alberta Jockey Club was voted out by Members on third reading by a standing vote.

An amendment to the Sale of Goods Act dealing with cattle, hogs, and sheep was made to protect the farmer but buying concerns may find it necessary to protect themselves from losses by insurance. Under the change the purchaser of these animals must beware that he is not buying stolen property or the loss, as a result, will be that of the purchaser.

A total of 86 bills were considered and dealt with by Members of the House during this Session.

I want to take this opportunity of expressing my thanks to the editor of this paper for the courtesy that he has shown in publishing these reports. It has been my purpose to try and give you some of the highlights of the Session and this has been made possible through the free space provided here by your editor. I know from the number of letters that have been written in expressing appreciation for this column that the readers generally join me in thanking the Editor.

## FLAX HAS OPPORTUNITIES

A. M. Wilson, field crops commissioner, suggests there is still a place for the flax crop on Alberta farms. Less than 40,000 acres were seeded to flax in Alberta in 1949. For those who have clean land flax appears to present an opportunity. The reserve stocks which were built up are rapidly being depleted. Dakota and Royal are recommended for the south, and Redwing for central and northern areas.

## WEDDINGS

## RANDERS—CULLEN

Knox United Church, Calgary, was the scene of a pretty wedding, Saturday March 11, at which Shirley, younger daughter of Mr. and Mrs. E. K. Cullen of Didsbury, became the bride of Mr. Chris Randers, son of Mr. and Mrs. Hans Randers of Olds.

Rev. McLeod performed the ceremony.

Given in marriage by her father the bride wore a brown tailored suit with pink accessories. She carried a bouquet of pink roses.

Mrs. D.B. McKenzie, sister of the bride, was matron of honor. She wore a wine suit and carried cocomo carnations.

Mr. Bob McKnight of Olds was best man and Harold Randers acted as usher.

The reception followed at Picardy's, where Mr. W.P. Cullen, uncle of the bride, proposed the toast to which the groom ably responded.

The bride and groom left for a short honeymoon at Banff and upon their return will reside on the groom's farm near Olds.

## CATANZARETI—BERGESON

A quiet wedding took place at the home of the minister at Elkton, Maryland, U.S.A., on March 19, when Margaret Janet, only daughter of Mr. and Mrs. Kenneth Bergeson of Cremona, Alberta, was united in marriage to Mr. Frank Catanzareti of Clinton, New Jersey.

The bride wore a navy blue gabardine suit with navy and white accessories. Her corsage consisted of red roses.

Mrs. Lee Mellott of Clinton attended the bride and for the occasion wore a blue gabardine suit with white accessories. Her corsage consisted of pink roses.

The bridegroom was attended by Mr. Lee Mellott of Clinton.

Mr. and Mrs. Catanzareti will reside at Clinton, New Jersey, U.S.A.

## KLASSEN—REMPEL

On Saturday afternoon, March 18, the Fernside Mennonite Church was the scene of a pretty wedding when Edna Margaret, eldest daughter of Mr. and Mrs. Peter G. Klassen, became the bride of Mr. Jacob Rempel, second son of Mr. and Mrs. Dietrich Rempel of Fernside B.C.

The bride's long white sheer gown featured a V-neckline and bishop sleeves. A beaded headpiece held her veil in place, and she carried a colonial arrangement of pink and white carnations.

The bride was attended by her sister, Miss Wanda Klassen, attired in a pale yellow rayon taffeta gown with bertha collar and short puffed sleeves, complemented with shoulder length veil of matching color. Her bouquet was of pink carnations and purple iris.

The groom's brother, Dick Rempel, was groomsman, and Isaac Wiebe and John Pankratz ushered the guests.

During the signing of the register, Abe Hiebert sang "O Love of God" and Amanda Epp was accompanist.

The reception was held at the home of the bride's parents. Services were Mrs. I. Klassen, Mrs. P.D. Friesen, Miss Mary Rempel and Mrs. Helen Harder.

Following the motor trip to the interior of B.C., Mr. and Mrs. Rempel will make their home at Slave Lake Road, Fernside B.C.

## NEUFELD — FRIESEN

A very pretty wedding was solemnized on Sunday afternoon, April 23, at the New Berghall Mennonite Church, when Martha Rose, second daughter of Mr. and Mrs. Wm. Friesen, became the bride of Mr. David Neufeld.

The bride looked lovely in a wedding gown of white satin with sweet heart neckline and lily pointed sleeves. The full skirt was trimmed with lace inserts in a diagonal pattern. Her full length veil was held with a net halo. The bridesmaid, Miss Freda Neufeld, was dressed in yellow taffeta with shoulder length veil.

Two little flower girls, Lois and Ruth Neufeld, in pale green satin, carried baskets of flowers.

Miss Katie Hildebrand played the wedding music, and also accompanied Misses Zelma Neufeld and Esther Schellenburg in a vocal duet.

Mrs. Ben Neufeld sang during the signing of the register.

Rev. Pauls and Jack Neufeld conducted the marriage sermon, while Rev. G.C. Neufeld conducted the wedding ceremony.

About 150 guests attended the reception and luncheon in the basement of the church immediately after the ceremony.

Mr. and Mrs. Neufeld will reside on Mr. Reid Clarke's Dairy Farm near Didsbury, where the groom is employed.

## A.M.A. Urges License Saving of \$500,000

Renewed request on the part of the Alberta Motor Association for a reduction in motor car license fees was turned down again by the provincial cabinet last week.

A delegation from the A.M.A., composed of H.R. Chauncey, of Calgary, president, and R.L. Greene, of Edmonton, first vice-president, urged a reduction of at least 25 per cent this year. This if granted would mean a \$500,000 saving to motorists in cost of number plates.

Despite the representations which were backed by a resolution passed at the annual meeting of the A.M.A., the cabinet declined to make any change. It was pointed out that the 1950-51 budget made no provision for such a license reduction.

Members of the cabinet admitted the question of a license fee reduction had been discussed many times. At any rate, there will be no relief for motorists this year in this respect.

The A.M.A. delegation pointed out that it was manifestly unfair for 140,000 motor car owners to be saddled with the entire cost of highways. Furthermore, car owners up to 1948 had paid \$20,000,000 more into the provincial treasury than has been spent on highways.

## A WELSH PROPHECY

(Made In 1448)

The following prophecy, which appeared in the Wantoma, Wisconsin, Wiseman, in the year 1448, and was found while making repairs, between the walls of the former home of Mrs. W.T. Williams of Wantoma. It was first published in her home town paper at Fy. Wian, located in Township Billan-fairlyghornway, North Wales, England, in 1926 and was sent to Mrs. Williams.

We call attention to the accuracy of the following prophecy:

Carrages without horses shall go. And accidents fill the world with woe;

Around the earth thoughts shall fly In the twinkling of an eye. The world upside down shall be And gold be found at the foot of a tree.

Through hills man shall ride And no horse be at his side. Under water man shall walk. Shall ride, shall sleep, shall talk; In the air men shall be seen In white, in black and green.

Iron in the water shall float As easily as a wooden boat. God shall be found and shown In a land that's not known; Fire and water shall wonders do, England shall at last admit a Jew. The world to an end shall come In nineteen hundred and ninety-one.

When pictures look alive with movements free, When ships like fishes swim beneath the sea; When men outstripping birds shall scour the sky, Then half the world deep drenched in blood shall die.
